

## YEAR 11

Christmas Exams - The Hall will act as the exam centre for most of the tests, where this is not the case it is indicated on the timetable. Attendance outside timetabled exams **is not required**. Optional study facilities are available during school time as indicated below:

Study Session 1    9:00 – 10:25  
 Study Session 2    10:40 – 1:00  
 Study Session 3    1:35 -3:20

Pupils are reminded if they opt to stay in school outside exam times they must be in the hall at the start of their study session and remain there until the end. Full school uniform and the usual high level of discipline is expected throughout the exam period.

In addition to the exams pupils must attend the compulsory teaching blocks. On Thursday 17th December, those students who missed essential elements of controlled assessment earlier in the term due to absence or extra- curricular pursuits, will be facilitated during this time, and must be in attendance as this will be the last opportunity this term to complete this work.

On the 15th and 16th December students are involved in class retreats as part of the curriculum. This is compulsory and the days and relevant classes are indicated below.
