Mrs Siobhan Kelly, Principal
St Mary's Christian Brothers' Grammar
Glen Road
BELFAST BT11 8NR

Dear Mrs Kelly

On behalf of the Down and Connor Catholic Schools' Support Service, I thank you for submitting a nomination for your school to be considered for the Spirit of Catholic Education Award 2021. We are delighted with the number of nominations received. The adjudication panel was most impressed by the examples of "best practice" and with how the Self-Reflection Framework document is assisting schools in developing the ethos and values of Catholic education.

Thank you for submitting a nomination on behalf of your school. I am pleased to inform you that St Mary's Christian Brothers' Grammar School has received:

The Spirit of Catholic Education Award 2021

Certificate for Promoting and Developing Catholic Ethos and Values

Please extend my very good wishes to all in your school community and convey the Diocese's appreciation for the work that your school participates in to uphold the gospel message and values within the daily activities of the school.

Due to the current situation the Certificate will be sent as soon as possible.

May God bless you and everyone in your school in the year ahead.

With warmest regards

Fr Edward McGee
Director of the Down and Connor Catholic Schools' Support Service
